Stop Struggling. Start Healing.

We understand the challenges modern healthcare professionals face.
Here's how we help.

Features & Solutions

Powerful tools designed specifically for your role in healthcare

For Reviewers

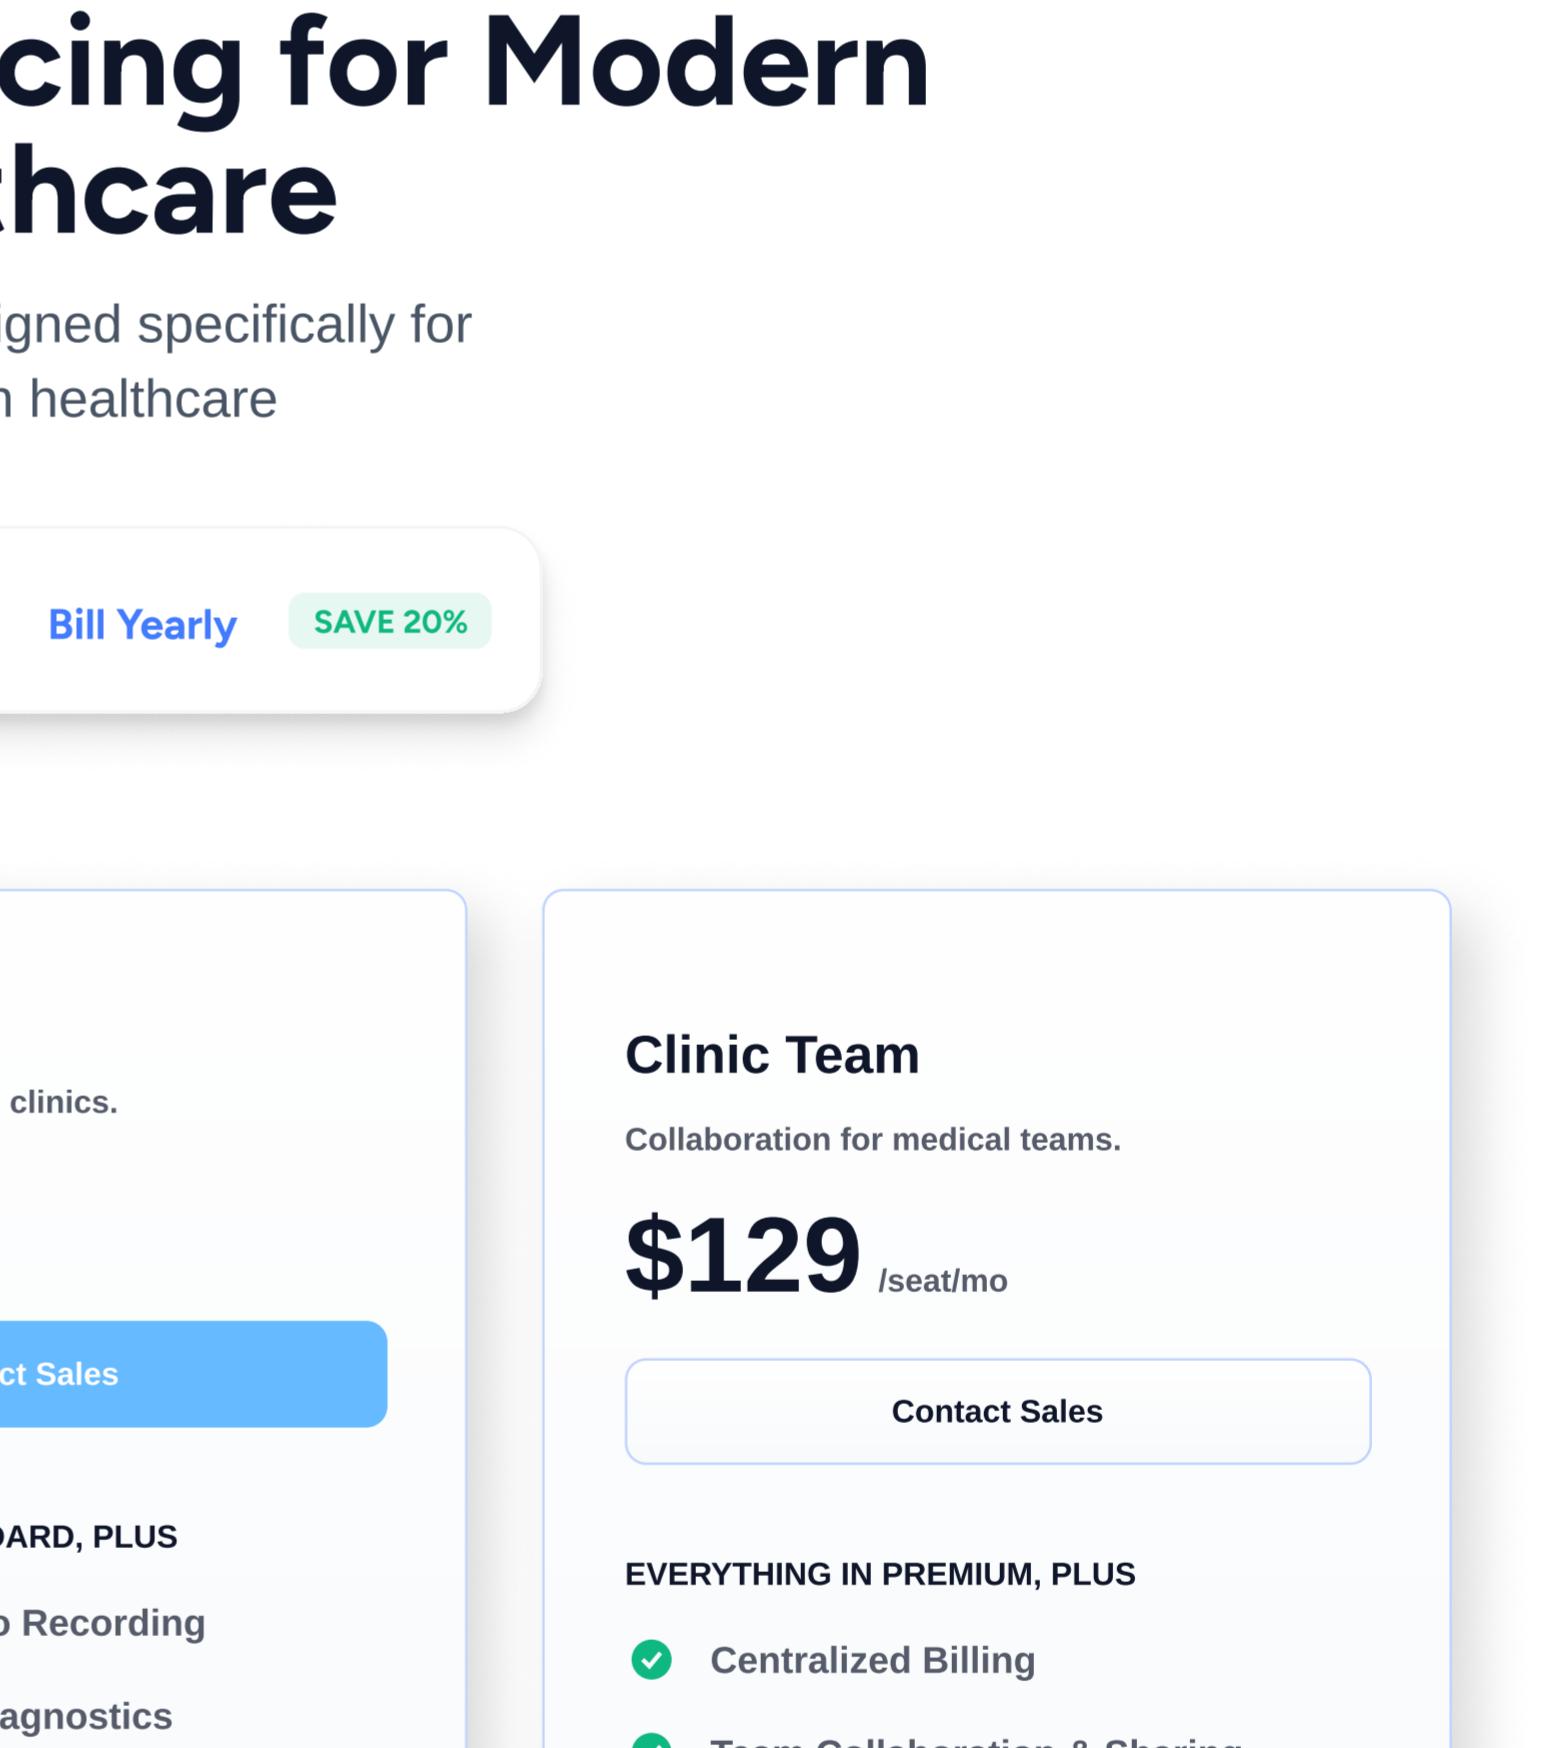

For Clinicians

Intelligent OCR & Data Extraction

Transform messy faxes and PDFs into searchable, structured data instantly. Our AI identifies key medical entities, lab results, and patients demographics, populating your database automatically with 99% accuracy.

- Handles handwritten doctor notes
- Smart categorization of document types
- Instant searchability across millions of pages

Frequently Asked Questions

Is my data Secure?

Yes, SaraMedico is fully HIPAA compliant. We sign a BAA (Business Associate Agreement) for all Premium and Clinic team plans to ensure your practice is covered.

Can I Switch plans later?

Absolutely. You can upgrade or downgrade your plan at any time from your account dashboard. Changes take effect at the start of the next billing cycle.

What payment methods do you accept?

We accept all major credit cards including Visa, Mastercard, and American Express. For Clinic Team plans, we also support invoice billing.

Do you offer a free trial for Premium?

We offer a 14-Day free trial for the Premium plan so you can experience our advanced AI diagnostics risk-free.

Need a custom enterprise solution?

For larger hospital networks requiring custom integrations, on-premise deployment, or volume discounts.
